### "CASINO DAY"

Casino Day, sponsored by the Student Union Advisory Board, brought a relief from the strains of exam week. Many games were played and prizes were given to persons who had the most amount of money left. The games consisted of the Roulette Wheel, Pinochle, Poker and many more!

*No one else saw you "Cheat" but I did!*

### AYANTEE AWARD'S PICNIC

At the end of every Spring Semester, many organizations pay tribute to many of its hard-working, dedicated members. The AYANTEE Staff, commonly known as the YEARBOOK Staff, was one of those organizations which took the time to present trophies, plaques, certificates, and roses to those who were recognized for their participation and efforts toward the organization. Below, the 1981-82 election of the New Executive Board consists of (from left to right) Charlene Gardner, Business Manager, Stroza Hill, Head Photographer, SiBon Cherry, Editor-in-Chief, Antonio Pettit, Managing Editor, and Pandora Robinson, Associate Editor

— SiBon Cherry

*SiBon Cherry, 1980-81 Editor-in-Chief, presents a special gift to Ms. Charlene Gardner, Director of Student Activities and Yearbook Advisor. Ms. Stroza Hill presents Most Valuable Person's Award to Antonio Pettit. Robert Clark, 80-81 Associate Editor, looks on.*

**"THE SPRING FLING"**

Turning out for the spring fling was very unique for us. The Aggies, really enjoyed themselves. There was a disco, food and plenty of entertainment. It really was a chill from the books. "And you know that."

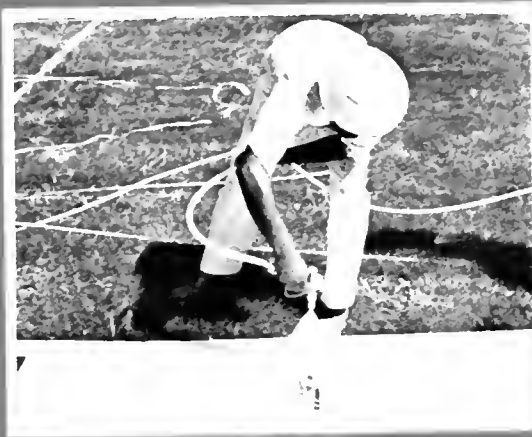

— Harry D. Jacobs

**The New Stadium**

Anticipation for the 1981 Football Season was heightened with the completion of the new Aggie Stadium. After years of playing at Memorial Stadium, a sense of achievement is felt among all Aggies now that we have our own stadium. It is improvements like this, that make North Carolina A&T a highly acclaimed university.

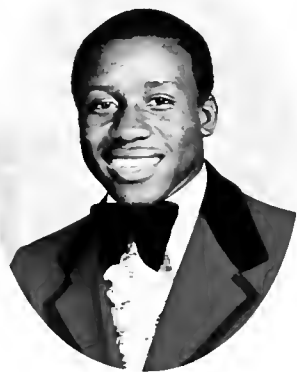

— Michael D. Hardison

### Myself

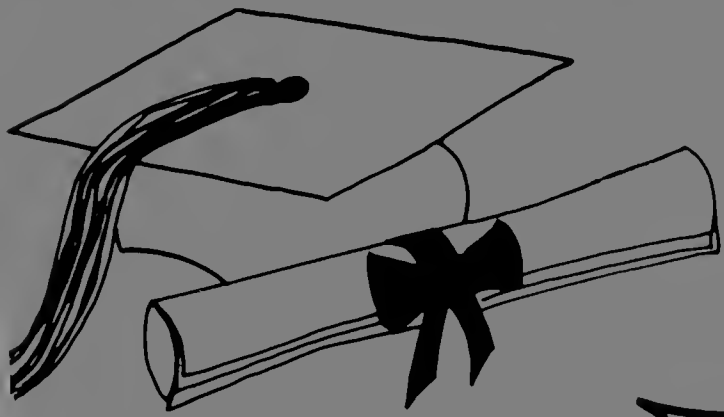

I have to live with myself, and so  
I want to be fit for myself to know,  
I want to be able, as days go by,  
Always to look myself straight in the eye;  
I don't want to stand, with the setting sun,  
And hate myself for things I have done.

I don't want to keep on a closet shelf  
A lot of secrets about myself,  
And fool myself, as I come and go,  
Into thinking that nobody else will know  
The kind of man I really am;  
I don't want to dress up myself in sham.

I want to go out with my head erect,  
I want to deserve all men's respect;  
But here in the struggle for fame and pelf  
I want to be able to like myself.  
I don't want to look at myself and know  
That I'm bluster and bluff and empty show.

I can never hide myself from me;  
I see what others may never see;  
I know what others may never know,  
I never can fool myself and so,  
Whatever happens, I want to be  
Self-respecting and conscience free.

# SAVE OUR BLACK COLLEGES

Supporters of Black College Day 81, display that "Ole Aggie Spirit."

Black College Day was held on September 29, 1981 in Raleigh, N.C. Black institutions throughout the state of North Carolina assembled at the Memorial Auditorium. The traditional march preceded down Fayetteville Street in destination of the Capitol steps. Spirited cheers of "To Save Black Colleges," were heard throughout the Capitol surroundings. The morale of Black College Day is to exemplify unity and to preserve the historical black institutions throughout the nation.

#### The Pursuit of Excellence

Pursuit of excellence is obvious for the sophomore class, for we are engaged in a world of challenge and as being Very intelligent, witty and spontaneous, we have 100% excellence. Naturally we as sophomores have really been into our studies, knowing that we only have two more years before those goals in life can be accomplished. Many of us one day will be Engineers, Accountants, Business Managers, Nurses, Doctors, Teachers and last but not least, we will be an alumni of the best black university ever, the Big "T". If life can be put into categories the sophomores would most definitely be at the top.

Life is nothing more than what you make of it. "Strive Sophomores" for the stars are unlimited.

—Harry Jacobs

## *LINES*

There is no better way to describe A & T other than the simple words "lines." Why lines play an extremely vital role in each and every fellow Aggie's day to day campus experiences.

Freshman year when I arrived on campus, I was anticipating and scared of the new life to which I had to adjust only to realize that first I must wait in a long line to gain entrance to my dormitory. When only a week later I was entered into the hectic race of obtaining course cards for registration and impatient as I am, I waited my turn in line once more.

Freshman year came and left but those lines, unfortunately, did not. For sophomore year was almost a duplicate when it came to lines. Whether it was my most interesting Graphics class, a delightful and tasty meal in the cafeteria, going to watch the Aggies battle it out with the Rams or the joy and excitement of registering, getting that most valuable I.D. Card and even obtaining the long waited for A & T Yearbook, I was repeatedly confronted by long haunting lines.

Entering my junior year I now have discovered the secret to why A & T incorporates its system of "lines." It is very, very simple. Similar to "going on line" to pledge fraternities and sororities, we are pledging the Aggie family and the pride and unity that comes along with it as we all daily wait in those ever present lines.

—Vicki Coleman

*"That's enough," says Kevin Robinson as he applies the "brakes" to this ball carrier.*

The Aggie Football Program Players and Staff, have devoted many hours of their time to perform well on the field. An internal drive must be within all who are connected to endure the season's ups and downs. But no matter the cost, our Aggie Football team is always "In Pursuit of Excellence."

# THESE PAGES REPRESENT EXCELLENCE...

The track team takes time out from practice to pose for us.

The N.C. A & T Alumni Band marches with high step and plenty of enthusiasm!

Oh, so they want to show their "badness" on our field!

Okay you guys, if you want to win this game you'll have to pay up, NOW!!!

Is the "Wild Bunch" saying that they are number one or are they pointing to the sky?!

# TO OUR HARD WORKING

*This cheering number is beginning to get to me.*

*WFMY-Channel 2 prepares to film another football play.*

*The cheerleaders plus the Aggie Pep Club promotes more spirit to our basketball games.*

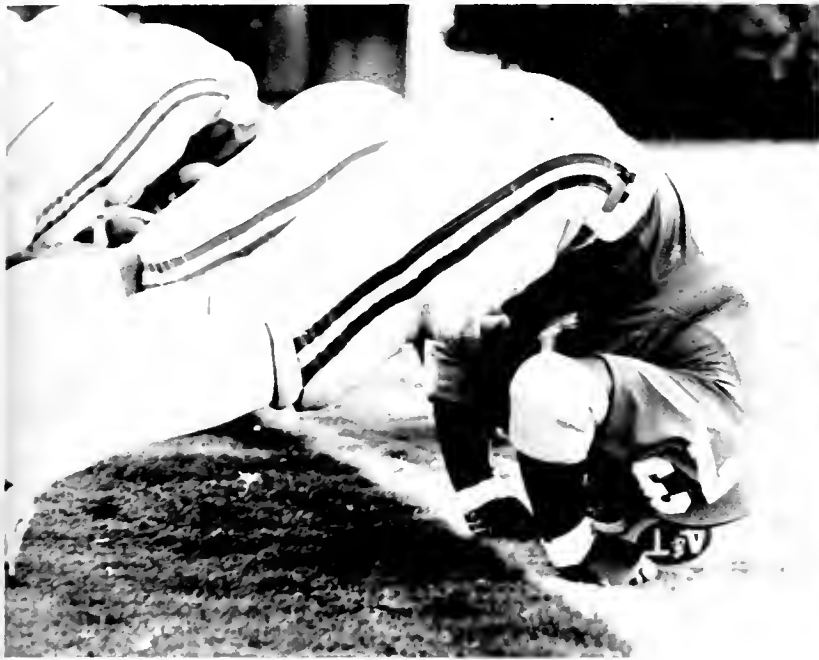

*"Believe me... this field goal belongs to A & T.*

*Shirley Huntley and friend participates in the "New Wave" look during a Howard basketball game.*

# ATHLETES AND FANS!

*Work those bodies... Work them good!*

*Wally Bell... We know that's you under the "New Wave" look!*

*The Pep Band adding more spirit!*

*Now this is what you can call "DEDICATED AGGIE FANS".*

*Life and Plight of an Aggie*

*Aggies will fight until the very end,  
Strong and mighty Aggie, that challenge to Win.  
Defeat, is as a learned experience,  
Never to return, to hurt his perseverance.  
Holding on through hard times and charges,  
The Aggie's spirit will remain.*

*To meet his plight, his tactics are well in command.  
Don't agitate him or upset his plans,  
Do not mock him for he is no toy,  
his faith in you, you are sure to destroy.  
He is the author, director and the actor—  
to be better known—he is his own Man!*

*Winding through experience, he sometimes falls,  
Must talk to **THE MASTER** to meet his cause!  
His determination is highly profound.  
Understanding him—he's sometimes ever to be found.  
To reach that goal of success and win,  
an Aggie will fight to the very End!*

*Do not tear down the works he has built,  
In the final analysis—You're only left in guilt.  
Help and Encouragement—**LOVE**—are the tools that he needs,  
He'll return with passion, in love of your deeds.  
You can not cage him, to survive he has to be free,  
It's simple to understand, because he's part of **YOU** and **ME!***

*Through Life's All, he will, in the end mellow out.  
The flame he has left,—for all others to sprout.  
He was only fighting for self-recognition,  
to find his place—in this world's condition.  
Now gone to his nest in Glory, where the flame is **FOREVER** Kindled.*

INTRODUCTION . . . THE GENTLEMEN OF ESQUIRE XIII FRATERNITY, INC. AND THE LADIES OF ESSENCE ESQUIRE men possess that rare combination of character-politeness, well-grooming and good conduct. We did not become Esquire men when we crossed the burning sands. We did not become Esquire men when we received our charter. Nor did we become Esquire men when we paid our dues. We were Esquire men long ago. We became Esquire men when our mothers and fathers were instilling into our strong formative minds the values of life. Values that we have become, oh, so familiar with; those of cleanliness being next to godliness. The value of respecting yourself and having others to respect you in return. The value of speaking to people when and wherever you meet them. The value of always being on your best behavior at all times or as we Esquirians say, "Be ye always a Gentlemen".

**HISTORY OF THE DELTA SIGMA THETA SORORITY, INC.**

At the inception of Delta Sigma Theta in 1913 at Howard University, the Founders envisioned an organization of college women pledged to serious endeavor and community service. These youthful students demonstrated a vital concern for social welfare, academic excellence, and cultural enrichment, and de-emphasized the social side service have withstood the test of time; and today Delta Sigma Theta is a public service Sorority, dedicated to a program of sharing membership skills and organizational services in the public interest. In 1930, Delta Sigma Theta was incorporated as a national organization. The record of incorporation is filed in the Congressional Library in the Office of the Recorder of Deeds in Washington, D.C.

On November 17, 1911, sacred to all Omega Men, the Omega Psi Phi Fraternity was born on the campus of Howard University. Founders of this first greek letter Black fraternity on a Black college campus were Edgar A. Love, Oscar J. Cooper, Frank Coleman, and Ernest E. Just. The fraternity was founded with the belief that "Friendship is essential to the soul"; thus this became the fraternity motto. The cornerstones of Omega Psi Phi Fraternity Inc. are its four cardinal principles — Manhood, Scholarship, Perversance, and Uplift. Since its founding, Omega has grown from the Mother Chapter, Alpha, at Howard to some three hundred graduate and undergraduate chapters throughout the United States, and six international chapters which collectively claim nearly 60,000 Omega men.

The undergraduate chapter on this is Mu Psi, founded here in 1927. Mu Psi serves the campus and community throughout the year with various social and service projects.

## BROTHERHOOD IN UNITY . . .

Alpha Phi Alpha Fraternity Inc., the first intercollegiate Greek letter fraternity established for black college students, was organized at Cornell University, Ithaca, New York in 1906. The first unit of this national fraternity, organized by college men of Afro-American descent, was called Alpha Chapter. The fraternity was born out of desire for maintaining close association and unified support for members of this small minority group, inasmuch as they were denied, for the most part, the mutual helpfulness which the majority of students attending their university regularly enjoyed. The seven visionary founders at Cornell, Henry Arthur Callis, Charles Chapman, Eugene K. Jones, George Kelly, Nathaniel Murray, Robert Ogle and Vertner Tandy, labored in the year of severe economic struggle and racial conflict in the United States. Despite their difficulties of organization in this untried field of student life, the early fraternity pioneers succeeded in laying a firm foundation and remained steadfast in their goals pointing toward development of the fraternity's membership — that is the espousing of the principles of good character, sound scholarship, Christian fellowship and the uplifting of humanity, especially the struggling black minority in the United States.

Beta Epsilon Chapter, the local satellite of Alpha, continues to keep ALPHA PHI ALPHA, FIRST OF ALL BLACK GREEKS!

Phi Beta Sigma Fraternity was founded at Howard University on January 9, 1914. Phi Beta Sigma exemplifies the high ideals of brotherhood, scholarship and service. Sigma men believe in the unity of purpose as expressed in the motto — "Culture for Service and Service for Humanity."

"Without a doubt, all great men are not Sigmas, but all Sigmas are great men."

Alpha Phi Omega National Service Fraternity was founded December 16, 1925 at Lafayette College in Easton, Pennsylvania. With leadership, friendship, and service as its cardinal principals, the fraternity has used the Scout Oath and Laws as the driving force shaping its relationship with humanity.

Furthering the founding principles of the Fraternity, Kappa Psi Chapter was founded at A&T in 1952. Giving service to the University as well as to the Greensboro Community, Kappa Psi Chapter has had a history characterized by the development of friendship, the promotion of service to mankind and the realization of the meaning of freedom upon which America was founded. Alpha Phi Omega also encourages scholastic achievement.

Alpha Phi Omega National Service Fraternity now has more than 190,000 members and over 600 chapters in a very short 56 year history.

Although flying is the primary mission of the Air Force, it is not the only job that has to be done. In addition to the continuing need for flying personnel, there is always a need for scientific, engineering, and medical specialists (health professions), as well as management personnel. But whatever an individual's specialty, the officer must also be an imaginative leader and a resourceful manager. In helping to develop such officers, Air Force ROTC has as its mission to recruit, educate and commission second lieutenants through a college campus program in response to Air Force requirements.

NORTH CAROLINA AGRICULTURAL AND TECHNICAL  
STATE UNIVERSITY

GREENSBORO

27411

(919) 379-7940

GREETINGS:

As Chancellor of North Carolina Agricultural and Technical State University, I want to personally salute you on the occasion of the publication of your annual edition of the *Ayantee*. This outstanding pictorial and narrative review of an extraordinary year in the University's history will be a perpetual testimony to what we have been able to accomplish together during the past academic year.

As you know, my first 150 days as the new leader of this great institution have been action-packed. The student body, the faculty, administrators, the trustees, and the alumni have rallied to my initial challenges to help propel A & T State University to unparalleled heights. We all commend you, the Nation's foremost student body, for your continuing pursuit of excellence in your activities.

Many of you will be graduating this year to assume leadership roles in the communities wherever you settle. To those of you who will return next year, I solicit your continued support as we face even greater challenges as associated with maintaining A & T's status as one of the Nation's premier universities.

You will constantly be asked by me to perpetuate that "Grand Aggie Spirit" which has prevailed in this State and throughout the Nation for almost 90 years. That spirit is one which overcomes adversity by hard work, determination, and tenacity.

It is hoped that over the summer months you gain a measure of relaxation and rest, and that you return in the fall equipped to "*keep on keeping on.*"

Sincerely yours,

A handwritten signature in black ink, appearing to read "Edward B. Fort".

# Coronation of Miss A & T

The Coronation of Miss Tommye C. Brown as Miss North Carolina A & T State University 1981-82 was performed on October 8, 1981 at the Corbett Sports Complex. The theme of this royal affair was obtained from the play "Peter Pan". Inspirational songs were sung by the Gospel Choir such as "Lord, Give Me a Praying Spirit to Say, No," and "Leaning on the Lord". In an attempt to disrupt the unity of N.C. A&T, Wally Bell, alias Captain HEW, sang "No Bad News". An impressive spectacle of grace and beauty was revealed by the queens of various organizations. Miss A&T's Court was accompanied with the Military Precision of Sabres by the Joint Sabre Detail Unit from the ROTC Department. Stephen Kirk, SGA President, escorted Miss A&T through the Sabre Detail. A special farewell address was given by the former Miss A&T, Greta Shaw. Miss A&T was presented the Scepter to Aggeland by Chancellor Edward B. Fort. This royal evening concluded on a beautiful rendition of "Endless Love".

# MISS A&T HOMECOMING

Miss A&T held a pageant in Harrison Auditorium for the selection of her Homecoming Court. A panel of judges composed of students, faculty, and Miss A&T selected Miss Freshman, Miss Sophomore, and Miss Junior Attendants from a group of 12 beautiful ladies. They were judged based upon personality, poise, questioning and answering, and modeling. The decision was difficult but the final results were Miss Freshman Donna Lovelace, Miss Sophomore Jaye George, Miss Junior Evelyn Burney, and Miss Senior Attendant Cynthia Parker.

# IN MEMORY OF

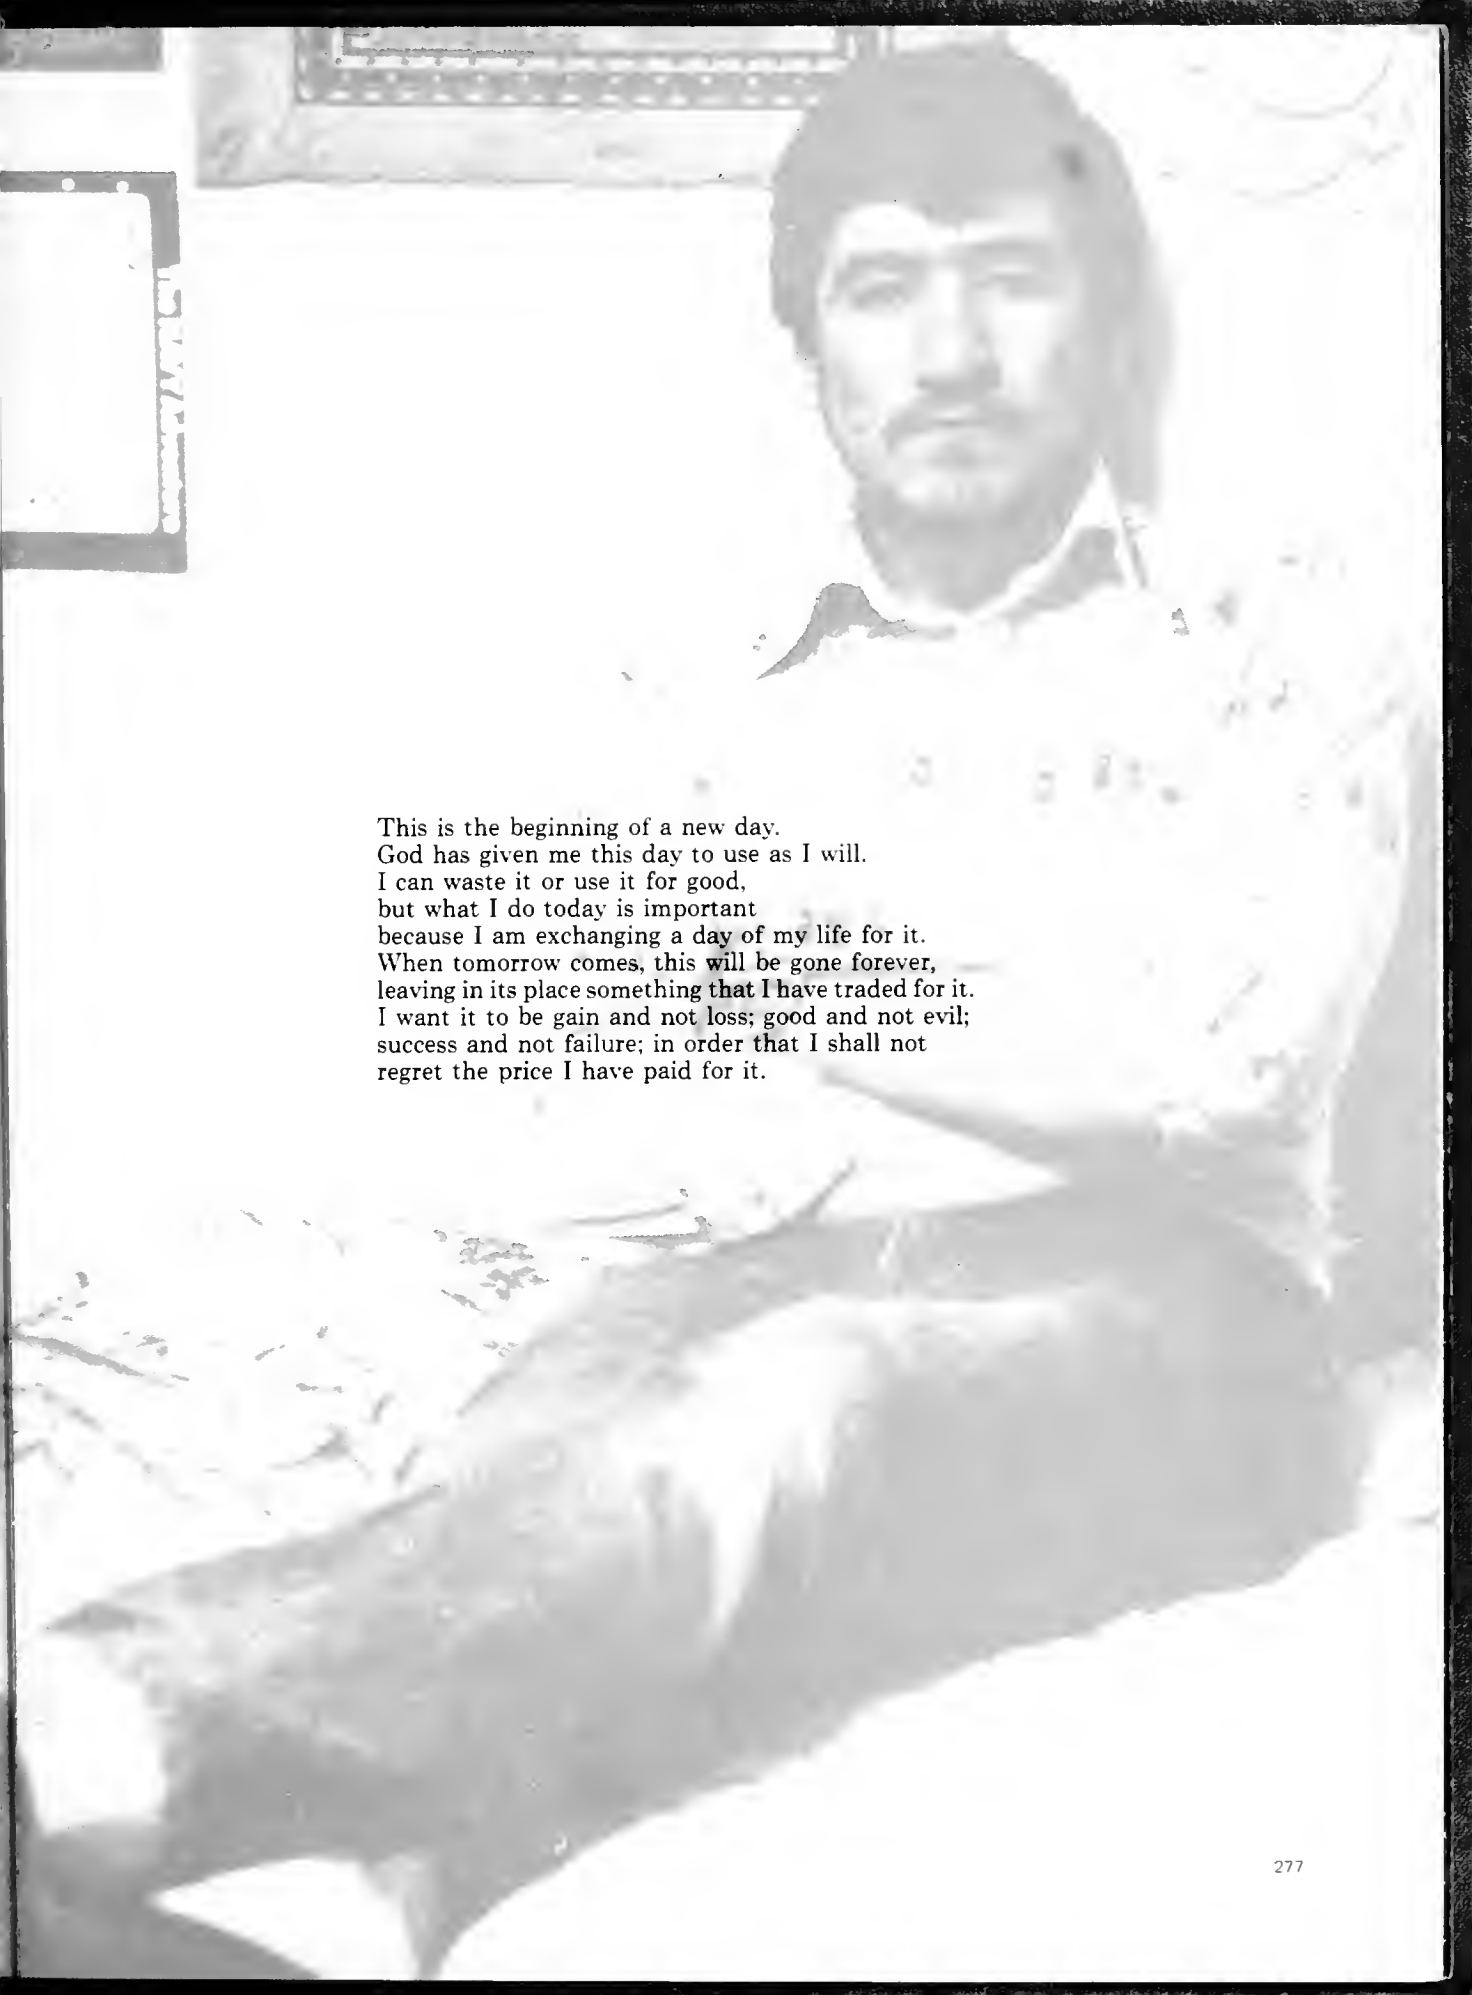

We pause today, in memory of one so dear to us. Memories of him will linger in our hearts and minds for many years to come.

ARTHUR BALBOA WORD, JR. was identified by his family, friends and acquaintances as an individual who stood ready and willing to lend a helping hand to anyone in need of assistance. On August 30, 1979, Arthur Jr. was performing true to form. On this date in Greensboro, N.C., while helping a friend move, he fell from the back of a truck, receiving permanent injuries. He was confined to a number of hospitals and nursing homes until August 30, 1981, when God touched him while enroute to a hospital, and called him to rest.

Arthur Jr. was born October 29, 1952 at Roxboro, N.C., where he also attended school. He was a 1971 Person Senior High School graduate. He graduated from North Carolina A&T State University at Greensboro in 1976. Following his graduation, he was employed by the A&T State University Police Department.

This is the beginning of a new day.  
God has given me this day to use as I will.  
I can waste it or use it for good,  
but what I do today is important  
because I am exchanging a day of my life for it.  
When tomorrow comes, this will be gone forever,  
leaving in its place something that I have traded for it.  
I want it to be gain and not loss; good and not evil;  
success and not failure; in order that I shall not  
regret the price I have paid for it.

### *MY SONG*

Early in the morning  
     way off in the east  
 cradled in her bosom  
     I remember peace  
 There were always rainbows  
     after thunder storms  
 little Black boy growing  
     in his daddy's arms  
 Looking at the horizon  
     my back to rising sun  
 there's pain in that direction  
     "Why do you look out that way son?"  
 O hear the songs of mermaids  
     out there in the west  
 please don't cry now momma  
     for knowledge is my quest  
 Wandering on the plains  
     in the noon-day heat  
 illusions of this journey  
     I stumble on my feet  
                     Pressing ever forward  
                     against raging winds and sand.

*The Class of 81 on the road to excellence!*

to fall from a high mountain top  
 into a dark and desolate land  
 I hear songs in the air,  
 now voices somewhere else  
 I see images beside me  
 but I do not trust myself  
 I will lay here for a time  
 I will not tarry long  
 my head aches, I am dizzy  
 I must wait till I am strong  
 While I slept, she came to me  
 why I do not know  
 "Dreams do come true" she said  
 then I woke and saw her go  
 In that waking hour  
 an angel appeared to me  
 When I blinked she was gone  
 but she inspired me  
 My head pounds more intensely  
 my body, flames in pain  
 the songs have turned to laughter

all my strength is drained  
 I see no sun, I hear no songs  
 in this lonely land  
 before I journey onward  
 I must stand and be a man  
 Going forth in the dark  
 I'll be tossed about  
 but this the path I've chosen  
 It will end somewhere, no doubt  
 Thorns and briars rip me  
 they pierce me to the bone  
 I keep on stepping forward  
 I know I'm not alone  
 O path of unknown destiny  
 please lead me to the shore  
 I hear the songs of mermaids  
 in my ears once more  
 I know the words, for its my song  
 the name is unknown  
 when I see the setting sun  
 then I'll know I'm home

# TROUBLE SHOOTERS '81-'82

TROUBLE SHOOTERS — FRONT ROW L to R — (5x7) Myrtle Bowen, Stroza H. Hill (Head Photographer), Helena Wright, BACK ROW L to R — Prestina Mickens, Garry E. Pearsall, Cecil Leftwich, Stephanie Debnam (Artist), Raymond B. Kelly (Assistant Head Photographer) NOT PRESENT — Valder Chavis, Jason (Flash) Felder, Sheryl D. Thompson

Fellow Aggies:

The Trouble Shooters (Yearbook Photographers) were given this name because of the job they do. When a photographer is sent on an assignment, he or she are actually "TROUBLE SHOOTING." Many things can happen from the time you take a picture and actually print that picture. If the steps are followed precisely, then the picture will be acceptable and presented in your yearbook.

I would like to thank all of the photographers for the time dedicated to their work and their strive for excellence. In conclusion, if you see a trouble shooter in the area, "SMILE" because they may be taking a picture of you!

Dear Fellow Aggies:

This year has truly been one to remember. As I pause to reflect upon it, I find that on the surface there appears to have been many disappointments and set-backs. However, when I look beneath the surface, I find that there was also a common thread of good running throughout this year.

A thread that would not break.

A thread that would not weaken, despite complaints, attitudes or even neglect.

A thread that we should have seen tightening if the complaints, attitudes and neglect increased.

A thread that will remain with this Great Black University long after we gone.

A thread that was with us through thick and thin.

A thread that was with us from Homecoming '81 through April Fest '82.

A thread that was with each and everyone of us each and everyday.

A thread that we were suppose to take from the classroom and be able to make a practical application of.

A thread that was suppose to teach us, as African Americans, how to collectively work to overcome all external obstacles and barriers.

A thread that should have taught us what being an Aggie was all about.

A thread that should have taught us that Aggies are not apathetic or complacent, but leaders and achievers.

A thread that should have in stilled AGGIE PRIDE and SPIRIT in us.

That thread is the thread of education, and I sincerely hope that, at some point during the year, it wrapped itself around you. For as the philosopher Hericlitus reminds us "you may never pass this way again".

Yours in Love and Hope
